Years: 2008-2009

American Community School of Abu Dhabi

Rigorous course at international school that includes IB Physics.

Years: 2009 - 2010 (expected)

GPA: *Not Yet Calculated*

WORK EXPERIENCE

Web Administrator and Designer for the following sites:

- **Nordic Soccer Club (2007-Present)**

- ▷ <http://nordicsoccer.org/>

- Revamped entire site layout and backend to maximize both user and developer experience. Redesigned site to make it modular, allowing the administrator to easily update data on multiple pages with ease. This allowed the site to have a more professional, uniform look that enhanced and elevated the reputation of the soccer club.

- **Vermont Futbol Academy at the University of Vermont (2009-Present)**

- ▷ <http://vermontfutbolacademy.org/>

- Worked closely with University of Vermont Men Soccer coaches Ross Duncan and Jesse Cormier to craft an e-commerce website to facilitate easy organization and production of an immensely successful soccer camp.

- **Kevin Sneddon's Hockey School (2009-Present)**

- ▷ <http://kshockeyschool.com/>

- Worked one-on-one with the head University of Vermont Men's Hockey coach Kevin Sneddon to construct a site that handles registration and payment for his hockey camp that to date has handled hundreds of avid hockey players. Sneddon's UVM team was an NCAA Division I final four qualifier in 2008-09.

- **R.E.S.T. Horse Retreat Center (2009-Present)**

- ▷ <http://restonline.org/>

- Meeting with Reciprocal Equine Service and Training (R.E.S.T) founder Amy Burrell-Cormier, I established a requirements statement, and then developed and implemented a site design that was both highly functional and aesthetically pleasing. The site is designed to help further the cause of horse physical/behavioral rehabilitation by providing relevant information with an easy to understand interface.

- **Akiscode (2007-Present)**

- ▷ <http://akiscode.com/>

- My own personal site that is home to some of my most prized programming code. The site itself makes money through ads as well as spreads my abilities and code to anyone who seeks it.

HONORS AND AWARDS

- Clarkson Leadership Award (2009)
- Governors Institute for Information Technology Acceptance (2008)
- Governors Institute Winter Weekend for Global Climate Change Acceptance (2007)
- Consistent High Honor Roll student

EXTRACURRICULAR ACTIVITIES

HOBBIES

- **Programming (2001-Present)**

- ◇ Programmed various applications available at: <http://akiscode.com/code.shtml>. Languages I have worked with include: C++, Java, PERL, Python, D, LISP, PHP, MySQL and HTML. Languages I wish to further learn include Ada and Haskell.

- **Electronics and Robotics (2008-Present)**

- ◇ Built experimental antennas (half dipole, directional waveguide antenna a.k.a. Cantenna) as well as robots from LEGO Mindstorm Kits. Elected Vice-President of Robotics club.

- **Investing in Stock Market (2009-Present)**

- ◇ Took earnings made from web design and development (\$1500) and doubled worth in one years time.

COMMUNITY SERVICE

- **Regular Blood Donor (2008-Present)**

- **Technology Helper (2006-Present)**

- ◇ Helped elders with their various technology problems that included cleaning up viruses, defragging disks and reformatting drives.

SPORTS AND OTHER CLUBS

- **Snowboarding (1999-Present)**

- ◇ A fast paced and thrilling way to relax in the winter.

- **Abu Dhabi Ice Hockey Falcons (2009-Present)**

- ◇ Goalie on the U18 hockey team.

- **Scuba Diving (2008-Present)**

- ◇ A fun recreational activity that lets me relax anywhere there is water.
