EDUCATION
Clarkson University
Currently studying at Clarkson University.
Major: *Aeronautical and Mechanical Engineering* Expected Graduation: *May 2014*
Cumulative GPA: *4.00/4.00 - President's List*

WORK EXPERIENCE

- **AMMROC/ADAT Internship (Summer 2011)**
 - ◊ Spent 2 months interning at the Advanced Military Maintenance Repair and Overhaul Centre (AMMROC) and the Abu Dhabi Aircraft Technologies (ADAT) company, both located in the United Arab Emirates
 - ◊ Time spent at AMMROC resulted in working on assembling F-16 engines and understanding workflow/build methods of C-130 transport aircraft
 - ◊ Time spent at ADAT resulted in learning about various aircraft parts including integrated drive generators, auxiliary power units and working on both General Electric and Rolls-Royce turbofans
- **Innovative Delivery Services (2012 - Present)**
 - ◊ Serving as head programmer and chief technical consultant
 - ◊ Goal was to allow customers to avoid the lines at concession stands by having them order through a mobile application and having the food delivered to them
 - ◊ Programmed entire system, including a sophisticated backend that routes orders to appropriate venues and automatically updates the customer on the status of their order
- **Akiscode (2008-Present)**
 - ◊ Founder of Akiscode, a web design and administration company.
 - ◊ Business model caters to all while focusing on those requiring integrated e-commerce services
 - ◊ Clients range from small pizzerias to camps run by head coaches of universities.

ACTIVITIES

- **CEO Club**
 - ◊ Served as Chief Technology Officer, helping the club with all technology issues
- **Clarkson Strategic Investment Group**
 - ◊ Served on technology and aerospace advisory board, helping to pick stocks that excel in those two fields
